Refund issues usually occur when a booking is cancelled  **+1(888)421-4524**, modified, or partially refunded  **+1(888)421-4524 (USA) +44-800-054-8541 (UK)**, and users expect instant returns, but FlightHub works as a third-party travel agency  **+1(888)421-4524**, which means every refund must be verified and approved by the airline before payment is released  **+1(888)421-4524 (USA) +44-800-054-8541 (UK)**, and this multi-step process often causes delays Mexico +52-800-351-0319 AU +61-180-095-6584..

The first thing you should check is your cancellation status  **+1(888)421-4524 (USA) +44-800-054-8541 (UK)**.
